5. A *Rashid learns about the history of Bahrain.*
6. C *the color or appearance of the skin*
7. D *including*
8. **Suggested answer:** *Bahrain is an important trading center of pearls.*
9. **Suggested answer:** *Bahrain received a lot of immigrants during the Dilmun civilization because the Dilmun civilization traded actively with the Middle East, and immigrants traveled along the trade routes.*
10. **Suggested answer:** *Answers may vary and should be supported by the story. Students may state that Bahrain has changed in that its population has grown, and there are people from all over the world who live there now. Bahrain has stayed the same in that it is still an important pearl trading center, and it is still a place that people immigrate to.*
