

Name:

### ***Fahrenheit 451* -- Book Notes for Part 3**

#### Major Characters:

- Montag
- Faber
- Granger/"Book People"

#### Setting(s):

- Major city; in the wilderness outside of the city
- Along the railroad tracks in the country

#### Conflict(s): Are they internal or external?

- External--the war begins
- Internal--Montag worrying about remembering the books of the Bible

#### Important Events:

- Montag burns Beatty and is "bitten" briefly by the Hound.
- Montag frames another fireman, Black, and calls in the alarm for his house to burn.
- Montag escapes and goes to Faber's house.
- A new hound is brought in to hunt Montag, but he escapes in the river.
- Montag meets the intellectuals--the book people--in the wilderness.
- An innocent man is killed so that the police don't look stupid for losing Montag.
- Atomic bombs hit cities all across the country, destroying society.
- Montag, Granger, and the others plan to return to the city to help those left behind and try help society be "reborn" the right way.

#### Theme(s)/Lessons:

- The effect of mass media
- Action vs. inaction
- The potential rebirth of society (legend of the Phoenix)

#### Technology:

- Drones
- iPads
- iPhones
- "Amber Alert" type notification to come watch television
